**RE: CHERRY HILL COMMUNITY COALITION MEETING  
SCHEDULED FOR THURSDAY, MAY 15, 2008**

It's has been sometime since the last time we all met. Over the last several months most of our efforts have been spent in meetings with different people to further develop the Cherry Hill Master Plan. The Plan is at 99%, however, there are still a few outstanding issues that need to be resolved before it can be scheduled to go before the Planning Commissioners. The community must now focus on strengthening our coalition, forming implementation committees and establishing solid methods for communications within the community.

***Meeting will be held at the Family Health Centers of Baltimore  
Located at 631 Cherry Hill Road  
On Thursday, May 15, 2008 at 5:30 p.m.***

Respectfully

Jeaneatte Gilmore  
Communication Coordinator
