

Dear Community Stakeholder:

The purpose of this Forum is being held to allow stakeholders in the entire community to have input in the Cherry Hill Master Plan. The areas of discussion are as follows:

Education, Housing, Health, Transportation, Civic Engagement (Voting), Youth Development, Physical Development & Land Uses, Economic Development, Public Safety, Recreation, Parks and Open Spaces.

If you are a current resident living in Cherry Hill, work, operate and/or own a business here; preside over a faith based organization; provide education to our children; are a health care provider; provide city, state, government services; provide housing to our residents; youth care services provider; community organization; provide recreation services or provide social services in the community of Cherry Hill your input is needed at the upcoming community wide meeting.

Included with this letter is a copy of a flyer to post or share with your neighbor or congregation which states that the Master Plan is being drafted to be submitted to the Baltimore City of Department of Planning; however before the plan can be submitted to the Planning Department the community needs to come together and attend the Community Forum which has been scheduled for **Saturday, October 20, 2007 at Southside Academy, School #181, located at 2700 Seamon Avenue**. This Forum will begin at **9:00 a.m. with registration and a continental breakfast. Lunch will be provided and all session will end at 4:00 p.m.**

The Cherry Hill Master Plan is being developed to assure the future of the Cherry Hill Community. A copy of the Draft Cherry Hill Master Plan is being provided for review prior to the forum. We are looking forward to having your input, assistance and seeing each and everyone of you at the Community Forum on **Saturday, October 20, 2007**.

Cherry Hill we are asking that you spend one day with us, it is imperative that we complete the Cherry Hill Master Plan, so, "Let's roll up our sleeves"; "Let's put on our thinking caps"; "Let's go to work" and get the job done that is needed. The Final Cherry Hill Master Plan needs to be submitted to the Baltimore City Department of Planning and the Mayor's Office of Baltimore City for their approval in November 2007.

Don't miss this important opportunity to make the future of Cherry Hill brighter! If we pull all together we can get this done.

Thank you in advance for your participation.

Sincerely,
Cherry Hill Master Plan Team
