

# Greater Waterview Coalition

## **Gentrification:** *proposed changes in your neighborhood*

- Have you attended recent meetings held by the City on Transportation, Affordable Housing or Rezoning?
- Are you aware of the extensive rezoning that is being proposed for Westport?
- Have you had an opportunity to have input on transportation that will affect all of the neighborhoods around the Middle Branch?
- Do you know what is in your neighborhood's Master Plan?

If you have not been involved or know the answers to these questions, you are giving up your rights to make decisions on how your neighborhoods will look in the future, the impact of traffic in the Middle Branch area and if you will be living next door to a family, store or office. The City agencies and politicians want and need to hear from you.

**Tuesday, March 31, 2009**

**6:30 PM – 8:00 PM**

**Westport Academy**

**2401 Nevada Street**
